INDEPENDENT AUDITORS' REPORT TO THE MEMBERS ON REVIEW OF CONDENSED INTERIM FINANCIAL INFORMATION

Introduction

We have reviewed the accompanying condensed interim balance sheet of **FIRST TREET MANUFACTURING MODARABA ("the Modaraba")** as at December 31, 2018 and the related condensed interim profit and loss account, condensed interim statement of comprehensive income, condensed interim cash flow statement, condensed interim statement of changes in equity and notes to the condensed interim financial information for the half year then ended (herein after referred to as the "condensed interim financial information").

Management is responsible for the preparation and presentation of this condensed interim financial information in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

The figures of the condensed interim profit and loss account and condensed interim statement of comprehensive income for the quarters ended December 31, 2018 and December 31, 2017 have not been reviewed and we do not express a conclusion on them as we are required to review only the cumulative figures for the half year ended December 31, 2018.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of condensed interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial information is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

Notes To The Condensed Interim Financial Information (Un-Audited)

For the half year ended December 31, 2018

1. LEGAL STATUS AND NATURE OF BUSINESS

First Treet Manufacturing Modaraba ("the Modaraba") is a multipurpose, perpetual and multi dimensional Modaraba formed on 27 July 2005 under the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 and rules framed there-under and is managed by Treet Holdings Limited (a wholly owned subsidiary of Treet Corporation Limited, a parent company of the Modaraba), incorporated in Pakistan under the (repealed) Companies Ordinance, 1984 and registered with the Registrar of Modaraba Companies. The registered office of the Modaraba is situated at 72 - B, Kot Lakhpat, Industrial Area, Lahore. The Modaraba is listed on Pakistan Stock Exchange Limited (Formerly Lahore Stock Exchange (Guarantee) Limited). The Modaraba is engaged in the manufacture and sale of corrugated boxes, soaps and batteries.

2. BASIS OF PREPARATION

This condensed interim financial information is un-audited and has been prepared in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting and the requirements of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980, Modaraba Companies and Modaraba Rules, 1981 and Prudential Regulations for Modarabas issued by the Securities and Exchange Commission of Pakistan (the Modaraba Regulations). In cases where the requirements differ, the provisions of or directives issued under the Ordinance or Regulations shall prevail. The disclosures in the condensed interim financial information do not include all the information reported in audited annual financial statements and should therefore be read in conjunction with the financial statements for the year ended June 30, 2018.

3 SIGNIFICANT ACCOUNTING POLICIES

3.1 The accounting policies and the methods of computation adopted in the preparation of this condensed interim financial statements are same as those applied in the preparation of the annual audited financial statements for the year ended 30 June 2018 except for the adoption of new standards effective as of 01 July 2018 as stated below:

3.2 Change in significant accounting policies

3.2.1 IFRS 15 'Revenue from Contracts with Customers'

The Modaraba has adopted IFRS 15 'Revenue from Contracts with Customers' from 01 July 2018 which is effective from the annual periods beginning on or after 01 July 2018. There are other new standards which are effective from 01 July 2018 but they do not have a material effect on the Company's condensed interim financial statements. The detail of new significant accounting policy adopted and the nature and effect of the changes from previous accounting policy are set out below:

The Modaraba is engaged in the sale of corrugated boxes, soaps and batteries. The contracts with customers for the sale of goods generally includes single performance obligation. Management has concluded that revenue from sale of goods be recognized at the point in time when control of the asset is transferred to the customer, which is when the goods are delivered to the customer. However, the adoption of IFRS 15 which has replaced IAS 18 Revenue, IAS 11 Construction Contracts and related interpretations at 01 July 2018, did not have a material impact on the amounts of revenue recognized in these condensed interim financial statements.

3.2.2 IFRS 9 Financial Instruments

IFRS 9 replaced the provisions of IAS 39 'Financial Instruments: Recognition and Measurement' that relates to the recognition, classification and measurement of financial assets and financial liabilities, derecognition of financial instruments, impairment of financial assets and hedge accounting and was effective for annual periods beginning on or after 01 July 2018. The Securities and Exchange Commission of Pakistan (SECP), vide its S.R.O. 229(l)/2019 dated 14 February 2019 has deferred the applicability of IFRS 9 (Financial Instruments) for reporting period ended on 31 December 2018. IFRS 9 will now be applicable for reporting periods / year ending on or after 30 June 2019.

3.2.3 Other than those disclosed above, there were certain other new amendments to the approved accounting standards which became effective during the period but are considered not to be relevant or have any significant effect on the Modaraba's operations and are, therefore, not disclosed.

The following amendments and interpretations of approved accounting standards will be effective for accounting periods as detailed below:
